

TIGER SUPER TACKY

Rod Grease

Description

Tiger Super Tacky Rod Grease is a extremely tacky and heavy duty rod grease designed to provide excellent coating of diamond drill rods for lubrication in the most demanding surface and underground applications.

Applications

- Prevents rod chatter
- Protects rods
- Has excellent rust preventative additives
- Minimises stuck rods

Advantages

- Heavy metal (Barium) free
- Can be applied to wet surfaces
- Reduces wear to drilling string
- Reduces torque
- Can be used in most qualities of water.

Typical Properties

Appearance	Tanned stringy grease
Specific gravity	0.8 – 0.9
Flash point	>200°C

Recommended Treatments

Apply liberally to outside of drill rods.

Packaging

Tiger Super Tacky comes in 35lb pails..
